INFO BRIEF Nr. 7

Dear members of the Kinderzeit Schule Förderverein,

I would like to introduce myself in my new role of president of the Förderverein.

My name is Rossella Nocerino, mother of Rebecca Schmitt (4th class, Adler) and of Carolina Schmitt, currently in Kindergarten, who will join the school as of September this year.

I have been spending a lot of time at Kinderzeit so far (since the Krippe time!) and I have still a couple of years ahead of me, therefore it has been a natural choice to offer my service to the Förderverein of the school.

Since the foundation of the Förderverein our group of parents has invested time and resources in promoting a couple of projects already; from the well known marmalades and juices to the climbing frame in the outdoor field, the experiment box and lately some microscopes for the science room.

Our money is generally complementing the investments the school already plans for specific projects, allowing them to execute them better or more completely.

We are proud of these achievements and we will celebrate them soon on our board at the entrance of the school with some pictures and comments.

But we could do a lot more if the number of our members would increase.....

For this reason we have asked the school to regularly issue the Förderverein registration form (Beitrittserklärung) to all parents who sign up for a new school contract, as well as load the document on the internet page of the school.

On the Förderverein side we would like to ask for your support for an easy “MITGLIEDERKAMPAGNE”.

I am sending you in attachment the updated version of our Beitrittserklärung.

If each of you would bring in 1 or 2 other parents, our members would double or even triple allowing us more flexibility in terms of time and resources.

There are so many people not yet involved...., so I hope our joint effort will help changing this picture :-)

Feel free to share this document to the parents you talk to and ask them to send the signed Beitritterklärung back to this email address or to leave it in the Förderverein box at the entrance of the school.

We will give you an update on where we stand before the summer holidays.

For any question feel free to contact us at the Förderverein email or to my private email address : rossella.nocerino@gmx.de

We count on your support!

Many thanks

Rossella Nocerino
