kinderzeit
Kindergarten & Krippe

1. Validity

- This price list is valid for the children in kindergarden and in our mixed-age group following the child's 3rd birthday.
- The nursery price list applies to the children up until the month of their 3rd birthday. In individual cases, the nursery price list may continue until 31.7. following the child's 3rd birthday. Please see our information sheet "Individual enquiry for nursery fee".

2. Cost models

- For the calculation of the price, the attendance times of the individual days are added together to determine the total number of hours per week.
- Within the scope of the non-contributory kindergarden period, the local authority of the place of residence contributes a fixed monthly amount to the costs of care, irrespective of the amount of care booked; currently 154,58 €.
- The monthly price as shown above includes drinks, in addition are the **catering costs** and the 200€ for the **administration fee**, due on the contract signing date.
- The price includes the subsidized money given by the county of Hessen. With any change of the subsidiary rules in Schwalbach the parental fees will be readjusted respectively.
- **"Prices for hessian children in €"** apply to all children with their **first address in Hessen**, but not in Schwalbach. "**Prices for Schwalbach children in €"** apply to all children with their first address **in Schwalbach**
- The monthly fees are due on first of every month per direct debit.
- **Please note:** If your child is already attending another childcare facility or daycare centre in Hesse before the end of the contract, the monthly subsidy from the municipality of residence must be paid in addition to the regular monthly childcare fees. The notice periods must be observed.
